CAREER OBJECTIVE

To contribute as a Teaching Assistant in the Department of CSE by supporting students in laboratory-based courses through clear guidance, technical assistance, and collaborative learning. I aim to utilize my academic background, programming skills, and hands-on security lab experience to help create an effective and supportive learning environment.

EDUCATION

- **B.Sc. in Computer Science & Engineering** CGPA: 3.40
International Islamic University Chittagong (IIUC) Outgoing
- **Higher Secondary Certificate (Science)** GPA: 5.00
Chittagong College 2019, Chittagong Board
- **Secondary School Certificate (Science)** GPA: 5.00
Dr. Khastagir Govt. Girls High School 2017, Chittagong Board

TECHNICAL SKILLS

- **Security Lab Tools:** Kali Linux, VirtualBox, Wireshark
- **Networking Concepts:** TCP/IP, DNS, ARP, HTTP/HTTPS, WiFi Security Fundamentals
- **Programming:** C / C++, Data Structures & Algorithms
- **Systems Knowledge:** Operating Systems (Scheduling, Memory Management, Synchronization)

SECURITY LAB PROJECT

- **DNS Hijacking and Man-in-the-Middle Detection in WiFi Networks**
- Conducted controlled experiments using Kali Linux in VirtualBox-based isolated environments.
- Analyzed ARP spoofing and DNS manipulation behaviors in simulated wireless networks.
- Monitored and evaluated abnormal DNS responses and suspicious ARP traffic using Wireshark.
- Studied mitigation strategies and preventive mechanisms for securing wireless networks.

ACHIEVEMENTS

- Obtained Grade A+ in Computer Security Lab, Competitive Programming, Data Structure and others.
- Active participant in Competitive Programming (Codeforces: Noushin_Fatema).
- Completed university programming competitive programming bootcamps and training programs.

EXTRACURRICULAR ACTIVITIES

- Mentored peers in solving Data Structures and OS lab-related problems.
- Active member of university coding community.
